

We are offering this incentive to your organization for one simple reason: we want to develop a long-term relationship based on support and trust with your Association for the purpose of easing some of the burden of home buying and selling that is naturally part of the process.

Incentive to the eligible client who is either selling or buying a home, or both.

Eligible client will be offered a \$600.00 Realtor credit upon successful real estate transaction closing (either as a buyer or seller, or both).

At this time, a donation of \$150.00 will also be made to the Association by Neal&Neal Real Estate Team.

The eligible client may receive up to \$1,200.00 Realtor credit, and could result in a donation to the Association of \$300.00 if the client retains Neal & Neal Real Estate Team as both their listing and buyer agent (resulting in two successful real estate transactions, upon closing)
