RE: HB 2073

It has recently come to my attention that my members are being ordered to quarantine due to exposure from a possible or known exposure to a communicable disease. During this quarantine the Sheriff's Office is taking compensation from our memberships leave banks at the cost of our members. This violates the law as authored in House Bill 2073 which was signed by Governor Greg Abbott on June 15, 2021. I am encouraging you to do an audit of all Deputies who have been affected since this bill was signed into law and return their time. I will await your response but know that if within 30 days' time if no action has happened to be compliant with the law, I will be forced to seek legal remedies.

Respectfully,
